CASS'S LAW TO WHIP AND SELL WHITE MEN AND WHITE WOMEN .- On the 5th ult., Mr. Felch, one of the Locofoco Senators from Mi- make payment to the undersigned, and those having chigan, undertook to excuse Gen. Cass for signing the territorial law of Michigan to whip and sell white men and white women. Felch, far from mending the matter, made it worse and worse. According to the report of his remarks in the Washington Union, he said that the ter. Staves and Heading, Wood, &c., at the highritorial laws of Michigan, this whipping law among the rest, were enacted by four functionaries, who constituted the only legislative authority within the limits of the territory. These four functionaries, in whom the whole legislative power was embodied, were the Governor (Lewis Cass,) the presiding judge, and two as- R some of the most desirable Real Estate in the sociate judges of the territory. So Cass accordnot only signed the law to whip and sell white Evansville. men and white women but was one of the four individuals by whom the monstrous thing was concocted.

"Protection to snags and sawyers" is a flag raised to a big snag on the river shore at Rivchietown, by a dozen or more who were supporters af Mr. Polk, and not supporters of Mr. Cass .- Wheeling Times.
